Joseph Stiglitz's Making Globalization Work - 846 Words ...
We need to make globalization work for all. That is the focus of my remarks today. 1. Globalization—the balance sheet. Let me start with the benefits of integration—the bringing together of trade, migration, capital flows, and technology. This integration has delivered tangible—real—benefits for most people and most countries. Real benefits. Emerging and developing economies have been ...

Making Globalization Work for All - IMF
Making Globalization Work merely builds on conceptual and empirical foundations laid down by Stiglitz ' s earlier treatise. Concerned about supporting the interests of developing countries against the background of instability that has marked global financial crisis, he argues that there is need to rethink the global financial architecture (p. xi).

Making Globalization Work | Joseph E. Stiglitz | download
Making Globalization Work. By Sebastian Mallaby Washington Post February 28, 2005. If globalization were a stock, it would have been shooting off the charts recently. Five years ago, the anti-globalization street protests were pumped up with crazy momentum. Today the demonstrators are gone, or at least in hibernation. Five years ago, well-meaning folk doubted that trade was good for poor ...
